Quasi-drug

Useful for carrying around. Cleanse your skin easily any time!!

リンスキン[®]・L

Rinskin L

- Since the polyethylene sachets are individually sterilized and convenient for carrying around, you can use them any time, anywhere.
- As it is colorless and hypopirritant, it does not sting even if used on a baby's delicate skin.

Package	Recommended retail price (tax included)
20 sachets	¥518
40 sachets	¥950

Indications

- Cleansing and wiping infants' skin and the inside of their mouth
- Cleansing and wiping the breast and nipple when nursing
- Cleansing and wiping the eyes, genitals, and anus

Usage

Usually, use 1 sachet per time to cleanse and wipe the area of use.

After opening the sachet, use the whole cloth in a single use.

Tear the jagged area and take out the cleansing cotton.

Each one is individually wrapped for hygiene.

Spread out the cotton and gently wipe the area you want to cleanse.

The cotton spreads out to a size of 8 cm × 8 cm.

Ingredients

Medical absorbent cotton containing 0.01% solution of benzalkonium chloride

Precautions for Ingredients

- This product does not contain alcohol. This product is cleansing cotton for cleaning the skin.
- Do not use it for disinfecting (for example before an injection).
- You may notice a smell, but this is due to the active ingredient. It is not a cause for concern.

Precautions

- Symptoms such as redness, swelling, and itching may occur. If these symptoms occur, discontinue the use of this product immediately.
- If you experience contact dermatitis or irritation, discontinue the use of this product.
- If you use the cloth around the eyes, wring it out first to avoid contact of the liquid with eyes.
- Yellow or black cottonseed hulls may be found on the surface or inside of the cotton, but this is not a cause for concern when using the product.
- Use the product soon after opening.
- As the cotton does not dissolve in water, do not flush it into a toilet.

Guidance on Storage

- Keep out of reach of infants and small children.
- Do not place in sunlight or in places with high temperatures.
